ENVIRO INFRA ENGINEERS LIMITED SECURES NEW PROJECTS WORTH ₹76.96 CRORES

New Delhi, May 3, 2025: Enviro Infra Engineers Limited (NSE: EIEL, BSE: 544290) a prominent EPC Player in Water & Waste-Water Treatment across PAN India, has secured new projects awards worth **₹ 76.96 Crores** in domestic market, for the EPC of a 77 MLD STP & Operation & Maintenance (O&M) of a 21 MLD CETP.

Mr. Sanjay Jain, Chairman & Whole Time Director said: *“We are proud to have been entrusted with these significant projects by Government Bodies. Our focus remains on delivering high-quality, sustainable, and timely solutions that contribute to the nation’s water management and sanitation goals. We are committed to maintaining the highest standards of engineering and execution.”*

About Enviro Infra Engineers Limited (EIEL):

EIEL is one of the leading EPC Companies in the business of Water and Wastewater Treatment Plants (WWTPs) and Water Supply Scheme Projects (WSSPs) for government authorities/bodies with over 15 years of experience. WWTPs include Sewage Treatment Plants (STPs), Sewerage Schemes (SS) and Common Effluent Treatment Plants (CETPs).

The Company has an in-house team for designing, engineering and construction which makes us self-reliant on all aspects of our business. We have a team of 211 engineers who are supported by third-party consultants and industry experts to ensure compliance and quality standards laid down by the industry and government agencies & departments. We also have our own team for civil construction works thereby reducing dependence on third parties. The scope of our services typically includes design and engineering of the projects, procurement of raw materials, execution at site with overall project management up to the commissioning of projects. Post commissioning, operations and maintenance of these plants for a certain period of time is generally a part of the award. We have a team of dedicated engineers and personnel focused on operations and maintenance of completed projects.
