Sub: Consideration of Soltrix Energy Solution Private Limited as Subsidiary Company

Dear Sir/Madam,

In our earlier intimation dated 23.06.2025, we had informed about the acquisition of 49% equity stake in Soltrix Energy Solution Private Limited (“**Soltrix**”) by EIE Renewables Private Limited (“**EIE Renewables**”), a wholly owned subsidiary of the Company and subsequent execution of Share Purchase and Options Agreement for acquiring the remaining 51% equity stake in Soltrix after the expiry of one year from the completion of the project awarded to Soltrix. It was also stated that, upon such acquisition, Soltrix would be classified as an Associate Company of the Company.

However, based on consultations with our legal advisors and after reviewing the clauses of the Share Purchase and Options Agreement—particularly those granting EIE Renewables effective control over the management and operations of Soltrix—it has been concluded that **Soltrix qualifies as a subsidiary** of EIE Renewables and, consequently, a Step-Down Subsidiary of the Company w.e.f. 23.06.2025, instead of being classified as an Associate Company as previously communicated.

Kindly take the above information on record.

Thanking you,

For Enviro Infra Engineers Limited
